WFMT for Students

Studying, Interning, & Working Abroad: Preparing for Global Engagement

Pre-Congress Seminar
XIV World Congress of Music Therapy

Who: Music Therapy student participants
What: Pre-Congress seminar hosted by WFMT ASD
Where: Vienna, Austria
When: July 7, 2014, 1:30-7:00pm
Why: To provide information pertinent to the needs of students interested in engaging in international music therapy learning and clinical practice.

The objective of this seminar is to help students develop a foundation for understanding practical issues related to international education & clinical practice, to encourage a dialogue between students and professionals with expertise related to these topics, and to facilitate application of knowledge gained from the seminar to professional discussion of accreditation and certification issues.
